Earn an agility title on your beginner dog in a trial atmosphere! The Agility Course Test is an entry-level agility event to introduce beginning dogs and/or handlers to the sport of agility. Dogs must be 15 months or older to enter and must meet the requirements for a regular AKC agility trial (Chapter 1, Section 3), except that they do not need to be registered with AKC to enter.

Running Order: ACT1 Round 1 (small to tall); ACT1 Round 2 (tall to small); ACT 2 Round 1 (small to tall); ACT2 Round 2 (tall to small)

ACT Level 1 is open to dogs that have not earned any AKC agility titles. The course will have 10-12 obstacles: 5' A-frame, table, tunnels, and bar jumps (no spread jumps); tire & panel jumps are allowed but not required. Time for all jump heights is 60 seconds with a minimum score of 85 to Qualify. Two Qualifying runs earn the title – ACT1

Dogs that are not AKC registered may participate & their performance will be recorded by the AKC under a temporary recording number. This temporary number will be emailed to the owner and must be used when entering subsequent ACT events; they may not be used for any other AKC events.

ACT Level 2 is open to dogs that have not earned a title in any AKC Agility class except an ACT1 title. Level 2 courses have 11-13 obstacles: all of the obstacles in Level 1 plus a teeter, 6 weaves, tire, and 1 spread jump (triple, double, or broad); the dog walk is allowed but not required. Time for all jump heights is 70 seconds with a minimum score of 85 to Qualify. Two Qualifying runs earn the title – ACT2.

Refusals & Run-outs are not judged. More than 3 attempts at an obstacle will result in an elimination (failure). The rest of the faults are the same as in the regular agility classes. All passing scores can be under the same judge. Only one dog in the ring at a time.
